

USAID REGIONAL HEALTH INTEGRATION TO ENHANCE SERVICES IN EASTERN UGANDA

RHITES-E CLOSE OUT NOTIFICATION

The USAID/Regional Health Integration to Enhance Services in Eastern Uganda (USAID RHITES-E) Activity is a five-year USAID funded activity supporting the Government of Uganda (GOU) and key stakeholders to increase availability and utilization of high-quality health services in 25 districts in Eastern Uganda and 5 in Karamoja, strengthening of health systems, improving the quality of integrated HIV/AIDS, TB, maternal, Newborn and Child Health (MNCH), Reproductive Health (RH), Nutrition and Malaria Services; increasing availability of, access to, and demand for these services with attention to equity and underserved populations.

The project started in 2017 and will be closing out on 30th September 2023. As part of the closeout process, RHITES-E takes this opportunity to notify the public, our clients/service providers, contractors who have worked with the project from 2017 to date to reconcile their accounts and submit their payment/outstanding claims to our offices in Mbale with adequate supporting documents not later than 21st July 2023. Any payment/outstanding claims submitted after 21st July 2023 will not be accepted.

Submission of claims must be sent through email: rhites-e-procurement@intrahealth.org or physically delivered to our offices in Mbale Plot 34/36 Bungokho Rd, Senior Quarters (Next to Mbale Resort Hotel)

MINISTRY OF WATER AND ENVIRONMENT

REQUEST FOR EXPRESSION OF INTEREST (CONSULTING SERVICES - FIRMS SELECTION)

UGANDA

IRRIGATION FOR CLIMATE RESILIENCE PROJECT (ICRP)

LOAN NUMBER P163836

REFERENCE NO. MWE/CONS/22-23/00041

ASSIGNMENT: CONSULTANCY SERVICES FOR CONSTRUCTION SUPERVISION OF MATANDA IRRIGATION SCHEME INFRASTRUCTURE AND FACILITIES

Government of Uganda has received financing from the World Bank towards the cost of the Irrigation for Climate Resilience Project (ICRP) and intends to apply part of the proceeds for consulting services for **Construction Supervision of Matanda Irrigation scheme Infrastructure and facilities**

The consulting services ("the Services") include: (i) Construction Supervision of Matanda Dam and Auxiliary facilities (ii) Construction supervision of the Matanda Irrigation Scheme Pipe Network

The implementation period of the assignment is 38 Months. The duration for the 2No. assignment packages shall be:

- (a) Construction Supervision for Matanda Dam and Auxiliary Facilities: Thirty-Eight (38) Calendar months disaggregated as follows: (i) pre-construction appraisal phase (2 calendar months); (ii) construction phase (24 calendar months) and (iii) defects liability phase (12 calendar months).
- (b) Construction Supervision for the Pipe Network up to the Block: Thirty-Two (32) calendar months disaggregated as follows: (i) pre-construction appraisal phase (2 calendar months); (ii) construction phase (18 calendar months) and (iii) defects liability phase (12 months).

The detailed Terms of Reference (TOR) for the assignment can be accessed at <https://www.mwe.go.ug/library/tendersprocurement>

The Ministry of Water and Environment (MWE) now invites eligible Consultancy firms to indicate their interest in providing the services. Interested consultancy firms

should provide sufficient information demonstrating that they meet the required qualifications and relevant experience to perform the services. The shortlisting criteria are:

1. Minimum of 10 years of core business as a consultant in undertaking and construction supervision for water storage dams, bulk water conveyance and farm irrigation systems.
2. The Consultant should demonstrate experience in carrying out at least two (2) similar assignments in the last 10 years. Similar assignments defined as those for undertaking construction supervision for water storage dams and bulk conveyance systems and design of on-farm distribution networks of a value of at least US\$ 2 Million.
3. Submit the firm's organogram to demonstrate the firm's technical and managerial capability.
4. Presence of appropriate skills among staff for the following positions: Project Manager/Team Leader, Resident Engineer, Geotechnical Engineer, Hydraulic Engineer, Electro-mechanical Engineer, Land Surveyor, Environmental Specialist and Social development specialist. **(Please do not submit CVs and bio data of experts).**

The attention of interested consultants is drawn to Section III, paragraphs 3.14, 3.16 and 3.17 of the World Bank's 'Procurement Regulations for IPF Borrowers' July 2016 revised November 2017, July 2018 and November 2020 [Procurement in investment Project Financing; Goods, Works, Non-Consulting and Consulting Services], setting forth the World Bank's policy on conflict of interest.

Consultants may associate with other firms to enhance their qualifications, but should indicate clearly whether the association is in the form of a joint venture and/or a sub-consultancy. In the case of a joint venture, all the partners in the joint venture shall be jointly and severally liable for the entire contract, if selected.

A consultant will be selected in accordance with the **Quality and Cost Based Selection (QCBS)** method set out in the World Bank procurement regulation July 2016 revised November 2017, July 2018 and November 2020.

Information and clarifications can be obtained not later than three days to the date of submission at the address below during office hours (Monday to Friday, 08:30 - 17:00 hours, except on public holidays).

Expressions of interest (**One original plus three copies**) must be delivered in a written form to the address below on **11th July, 2023 at 11:00 a.m.** The packages must be clearly marked as;

"Expression of Interest for Consultancy Services for Construction Supervision of Matanda Irrigation scheme Infrastructure and facilities"
